

Work attestation.

We hereby certify that **Mr. Silyas Bieri**, born on 11 August 1998, worked for our company from 20 September 2016 to 17 February 2017.

He joined the IT Solutions Department of our Network & IT Division as **Trainee IT**. His mission was to:

- Perform laptop support tasks within the Office Support team
- Technical Maintenance work in the DataCenters (cabling, hardware installation, ...)
- Rewrite SQL queries (adaptation from Oracle to PostgreSQL)
- Install & Configure DELL servers with CentOS

We appreciated his general IT skills and selfteaching capabilities.

We should also point out that Mr. Bieri has well understood how to work within a large organisation where priorities are not the same for everyone.

His performance exceeded the expectations in a qualitative and quantitative point of view. We also appreciated his high motivation, his dynamism and his great adaptability to an environment in constant evolution.

Mr. Bieri left us at the end of his training, free of any obligation, except for his duty to maintain absolute discretion on all information related to our company. We recommend him to any future employer and wish him all the best for his future.

Philip Morel

Manager Infrastructure
